Promote savings for employees

It's not as expensive as you think.

OK, where do I start?

OPTION #1: LOWEST COST, GREAT START!

PAYROLL DEDUCTION IRA

The Payroll Deduction IRA is the simplest retirement arrangement that a business can have. The employer's only responsibility is to withhold the payroll deduction amount requested by the employees and submit the amount to the IRA record keeper. The Payroll Deduction IRA is available for employers of any size.

OPTION #2: LOW COST, MORE BENEFITS!

401(K) PLAN

AFFORDABLE: Benefit Providers' 401(k) is designed to be the low-cost 401(k) solution for small business owners. It also has the simplest fee structure in the industry, with no hidden fees.

SIMPLE: Benefit Providers' 401(k) is online so your employees can access their plan at their convenience, plus, you'll have quick access to our knowledgeable customer service specialists is you acquire assistance.

FLEXIBLE: You can easily customize the Benefit Providers' 401(k) Plan to meet your business' changing needs. Our Plans can be easily integrated with your existing payroll services software, including QuickBooks.

COMBINE OUR SERVICES & SAVE

With ECCA's payroll system, ReadyPay, you not only get an exceptionally fast, consistently accurate payroll system, but you also get built in HR Functionality. You get an HRIS management solution that streamlines administrative tasks, improves communication, reduces costs, and provides instant reports and analysis.

ECCA's comprehensive system gives you total control over your payroll and human resource information with easy-to-read reports and detailed information on your desktop.

- 1-800 and Internet access to individual accounts for daily valuations and transfers, plus easy-to-use educational tools.
- The elimination of surrender fees to individual participants.
- And the opportunity to customize important Plan features, such as eligibility, automatic enrollment, employer matching contributions, employer profit-sharing contributions.

\$750 per year or less!*

* 10% less if you are a payroll client

Still unsure?

Check out these facts:

1. Fewer than half of Americans have calculated how much they need to save for retirement.
2. In 2012, 30 percent of private industry workers with access to a defined contribution plan (such as a 401(k) plan) did not participate.
3. The average American spends 20 years in retirement.

*Information pulled from the United States Department of Labor.
